

Mark A. Sowell, D.D.S., MAGD
Aesthetic Dentistry Centre

Dr. Mark Sowell's dental artistry and his constant pursuit of excellence show in every patient who leaves his office feeling as beautiful on the outside as they feel on the inside. He's one of only eight dentists in the world to be both an Accredited Member of the American Academy of Cosmetic Dentistry and a Master Fellow of the Academy of General Dentistry. These prestigious accomplishments have contributed to the outstanding Smile Makeovers he has been creating for two decades.

An in-house ceramic laboratory, computer imaging, and personal service help Dr. Sowell design patients' ideal smiles. The crafting of individual models that the patient can preview ensure that the final, permanent results are perfect and beautiful. A combination of advanced technology and personal drive for perfection allow Dr. Sowell to unleash the beauty of any smile while enhancing health and function for a lifetime.

Dr. Sowell is one of the foremost experts in cosmetic dentistry, honored by fellow dentists in *D Magazine* and "Best Dentists in America" peer review polls. A highly sought-after lecturer, he has also been featured on NBC & CBS News as an expert in cosmetic dental procedures. Dr. Sowell's expertise is complemented by his staff's commitment to creating a "wow experience" for each patient with five-star service, a plush atmosphere and friendly, professional care.
